9 **NORTHERN DISTRICT OF CALIFORNIA**

Elen Meder et al., IN PRO SE  
Petitioners & Movants,

Case No: 20-cv-01200-WHO

vs.

**2nd ADMINISTRATIVE MOTION**  
**TO SEAL CASE**

COUNTY OF SAN FRANCISCO,  
HUMAN SERVICES AGENCY,  
DEPARTMENT OF HUMAN SERVICES  
Respondent

**SCANNED**

11  
12 With this 2nd Administrative Motion, the Petitioners and Movants are moving this Court to  
13 SEAL the entire civil case file as a last resort.  
14

15 Pursuant to Fed.R.Civ.P. 79-5., this 2nd Administrative Motion is accompanied by declarations  
16 of both Petitioners and proposed order. This Administrative Motion is served on all parties that  
17 have appeared in this case.

18  
19 **INTRODUCTION**

20 The entire civil case is relied solely upon 20 C.F.R. §416.1618 "When you are considered  
21 permanently residing in the United States under color of law" (PRUCOL) for federal question  
22 jurisdiction due to political asylum pending applications of the Petitioners.  
23

24 The federal regulations at 8 CFR 208.6 protect the Confidentiality of asylum Applicants  
25 prohibiting the disclosure to third parties of information contained in or penetrating to asylum  
26 applications.

CLERK, US DISTRICT COURT  
NO. DIST. OF CA.

**DOCUMENT SUBMITTED UNDER SEAL**

1 The Request to seal case was granted for the Complain and its Exhibits ONLY. (Dkt.No.20)

2  
3 Alternative, i.e., redacted version of other filings of this case in the form of sealing personally -  
4 identifying information of Petitioners as political asylum Applicants and identifying their location  
5 was denied. (Dkt. No.22)

6 **ISSUE PRESENTED**

7 The disclosure to third parties, personally-identifying information in other filings' context that  
8 focused on petitioners' residing status in the United States due to their political asylum  
9 applications, violates the 8 CFR 208.6.

10  
11 There exists an overriding interest that overcomes the right of public access to the portions of the  
12 records to be sealed; the overriding interest supports sealing those records; a substantial  
13 probability exists that the overriding interest will be prejudiced if the record is not sealed.

14 Evidence - Exhibit H

15  
16 The Judicial Conference of the United States<sup>1</sup> adopted a national policy. The policy emphasizes  
17 that "an entire civil case file should only be sealed when... sealing... is required by statute or rule  
18 or justified by a showing of extraordinary circumstances and the absence of narrower feasible and  
19 effective alternatives such as sealing discrete documents or redacting information so that sealing  
20 an entire case file is a last resort." published on September 13, 2011

21  
22 **CONCLUSION**

23 This Motion complies with this policy due to the indicated findings justifying the sealing and the  
24 federal regulations at 8 CFR 208.6.

25 This Motion conforms with Fed.R.Civ.P. 79-5.

26 Therefore, the Petitions respectfully request for their safety to seal the entire civil case file as a  
27 last resort.

28 Respectfully submitted,

29 Dated: 08/18/2020

  
Elen Meder

Hello,

Consistent with our removal policy:

<https://www.courtlistener.com/removal/>

and based on your description, I have requested that the page you referenced and associated files be removed from search engines. We have *not* removed this page from our website and will not do so without a court order. For details about this policy and an explanation of why we do not remove content from our website, please see the removal policy linked above.

We cannot control how quickly Google, Bing, Yahoo! etc. act on this, but we have requested of them that they remove these pages from their search engines and they typically do so within a few months. We wish this process were faster on their end, but to do this properly does take some time.

To expedite this, you may want to use Google's tool for removing outdated content as explained here:

<https://support.google.com/webmasters/answer/7041154>

You should understand that we and many other sites retrieve the documents from the courts' websites and other third parties that collect court documents, where they may still be available. We also cannot control the availability of the document(s) on the courts' websites or on other sites that collect and distribute public court documents. You may wish to contact other sites that host the document directly.

If this item says that it is "not to be published" or "not for publication" or similar, this has a specific legal meaning. Please see the explanation in our FAQ, here:

<https://www.courtlistener.com/faq/#non-precedential>

If you have a court order requiring that the docket be sealed or otherwise redacted, you may send it in reply.

We only control the CourtListener.com domain. We cannot do anything about links that are on any other website.

Thank you,
